Subject: Resignation Letter

Dear Motin vai,

I regret to inform you that I am writing to formally resign from my position as a Frontend Developer at Softvence Agency, effective 1st July, 2025. This decision was not an easy one, but due to personal family reasons, I must step away from my current role. I am truly grateful for the opportunities and experiences. Working with such a talented team has been a rewarding journey, and I deeply appreciate the support and collaboration I have received. I will do my best to facilitate a smooth transition before my departure. I sincerely appreciate your support and understanding regarding my decision.

Thank you once again for your guidance and support. I hope to stay in touch and wish the company continued success in the future.

Best regards,
Md Bakhtiar Fahim
